Musical Theater

Musical theater is a theatrical performance that combines songs, spoken dialogue, acting, and dance. Theater classes allow kids to explore their creative side, develop new talents, increase their confidence, and be a part of a positive and supportive team. Being involved in an ever-evolving production teaches kids flexibility and the ability to think independently.

Who are Residents of Algonquin?

You are considered a resident of the Village of Algonquin if you pay taxes to the Village and reside within the Village boundaries. Fees are listed Resident (R) or Non-Resident (NR). Registration forms will not be accepted without the proper fees included. If you are uncertain whether you qualify as a Village of Algonquin resident, please check your current property tax bill. Proof of residency in the form of a current tax bill or utility bill may be required during the registration process.

Waiver Form

The Village is unable to assume responsibility for injuries or accidents occurring during programs and activities or at parks and facilities. Such insurance would make program user fees prohibitive. Northern Illinois Special Recreation Association (NISRA) offers a variety of opportunities for individuals with special needs. Those individuals who reside within the boundaries of the Village of Algonquin are eligible for our reimbursement program. For eligibility and reimbursement forms, please see the NISRA Reimbursement Form on the main recreation page or stop by the Ganek Municipal Center.

Text A Physician Program

The Village of Algonquin's Text A Physician program provides residents with convenient access to licensed Illinois medical providers via text for guidance, questions, doctor's notes, and prescriptions when necessary.

Who This Program Can Help

Accessing healthcare can be challenging for different reasons. Some households face cost or transportation barriers, while others, despite having good coverage, struggle with busy schedules or long wait times for appointments. Text A Physician is designed as a convenient, supplemental option for everyday concerns. It is not a replacement for hospitals, insurance, or regular primary care, but an additional resource residents can use when helpful.

Need medical guidance?
Text 839-887-0365 today.

tap telehealth

How it Works

You can text the service 7 days a week, 7 a.m. to 10 p.m. (CST) to connect with a licensed Illinois physician.

- Text 839-887-0365 to begin.
- Provide your name, date of birth, city, and a brief description of your concern.
- Once your number is verified, follow-up messages require minimal verification.
- One household account covers up to 10 individuals.

Enrollment and Cost

All Algonquin households are automatically enrolled in the program. $6 monthly charge per household will be added to your utility bills. The Village does not retain any portion of the fee, it goes directly to the provider. You may opt out or opt back in at any time.

When It Might Help

Text A Physician may be helpful for everyday concerns, such as:

- Child's fever or rash outside office hours
- Questions about colds, flu, allergies, or UTIs
- Requesting a routine prescription refill
- Guidance on medication use
- Deciding if minor injury requires urgent care

How to Opt Out of the $6 Monthly Program Fee

Participation is voluntary. You may opt out or back in at anytime.
